Class 3 Summer Topic Overview & Objectives: European Study

In this Topic we will learn about the geography of Europe, its position within the world and we will compare lifestyles across Europe. Each week there will be different tasks across the different curriculum areas. You can of course supplement our suggested activities with your own depending on what you find particularly interesting.

Geography

Yr 3, 4 and 5
Use maps to locate European countries and capitals.
Know at least five differences between living in the UK and a Mediterranean country
Know the names of and locate at least eight European countries

Yr 4 and 5
Know the names of and locate at least eight major capital cities across the world

Yr 5
Know the names of a number of European capitals

DT
Describe how food ingredients come together
Weigh out ingredients and follow a given recipe to create a dish
Know how to be both hygienic and safe when using food,

Art - European artists
Recognise when art is from different cultures
Experiment with the styles used by other artists

The Sticky Knowledge for this topic is:

- **There are 50 countries in Europe with a total of more than 742 million people living on the continent.**
- **Moscow in Russia is the largest city with more than 12 million inhabitants.**
- **Mount Elbrus in Russia (5,642 metres/18,510ft) is the highest mountain in Europe and is part of the Caucasus mountain range.**
- **Volga River in Russia (3,692metres/2,295miles) is Europe's longest river.**
- **The Danube is the most important commercial waterway in Europe.**
- **Lake Ladoga in Russia is Europe's biggest lake and among the world's biggest freshwater lakes**

We hope you find this topic interesting. It would be lovely to see your work, so do take photos (of the work not you) and send them to school on twitter, linking @HorsleyPrimary. You can also attach any Purple Mash pictures or work to a Purple Mash email using 2email. We check these emails regularly – it is great to hear from you.
