

# Clauses

I can identify clauses in a sentence.

Look at the sentences below. Each sentence has two clauses joined by 'and'. Work with your partner to find and underline each clause. The first one has been done for you.

1. Demi went to the park and they played on the swings.
2. Fabio enjoys riding his bike and he likes playing on his computer.
3. The children at Joy's party played games and they ate ice cream.
4. Mum likes watching football and dad likes watching cricket.
5. My brother plays the trumpet and I play the drums.
