

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Maths Task</p> <p>For each White Rose maths session, watch the short video and have a go at the activity questions – you could just write your answers on paper.</p>	<p><b>Year 5 and Year 6</b> There is no video for this session, but it builds on the skills developed last week. Have a look at the PowerPoint slide – Adding and Subtracting Wholes and Decimals. Notice how the tens and ones of the whole number are lined up with the tens and ones of the decimal number.</p> <p>Complete the worksheet - Add and subtract wholes and decimals.</p> <p>Mathletics tasks have been set which you can work through during the week – these will be reviewed on Friday.</p>	<p><b>Year 5</b> Watch the video on the link below. <a href="#">Home Learning - Year 5   White Rose Maths   Maths Lessons Online</a> Wk 9 lesson 3</p> <p>Complete the related worksheet. <b>Y5 – multiply decimals by 10/100/1000</b></p> <p><b>Year 6</b> Watch the video on the link below. <a href="#">Spr6.1.4 - Multiply by 10 100 and 1000 on Vimeo</a></p> <p>Complete the related worksheet. <b>Y6 – multiply by 10/100/1000</b></p>	<p><b>Year 5</b> Watch the video on the link below. <a href="#">Home Learning - Year 5   White Rose Maths   Maths Lessons Online</a> Wk 9 lesson 4</p> <p>Complete the related worksheet. <b>Y5 – divide decimals by 10/100/1000</b></p> <p><b>Year 6</b> Watch the video on the link below. <a href="#">Spr6.1.5 - Divide by 10 100 and 1000 on Vimeo</a></p> <p>Complete the related worksheet. <b>Y6 – divide by 10/100/1000</b></p>	<p><b>Year 5</b> There is no video for this session.</p> <p>Complete the worksheet – Decimal sequences.</p> <p><b>Year 6</b> Watch the video on the link below. <a href="#">Spr6.2.1 - Multiply decimals by integers on Vimeo</a></p> <p>Complete the related worksheet. <b>Multiply decimals by integers</b></p>	<p><b>Year 5</b> You have worked hard developing your skills with decimals. Today's worksheet has a mixture of questions to allow you to use those skills.</p> <p>Have a go at the worksheet - <b>Decimals</b></p> <p><b>Year 6</b> Watch the video on the link below. <a href="#">Spr6.2.2 - Divide decimals by integers on Vimeo</a></p> <p>Complete the related worksheet. <b>Divide decimals by integers</b></p>
<p>Literacy task</p> <p>Read daily – minimum 20 minutes.</p>	<p>Refer to week 2 of the termly overview for this week's spelling list. Copy your words carefully and practise by covering up one word at a time.</p> <p><b>Y5 Words with silent letters</b> <b>Y6 Words ending -able</b> Complete the activity for your Year group. <b>Y5 Silent Letter Detective</b> <b>Y6 Letter Shape Spellings</b></p> <p>Watch episode 5</p>	<p>Watch episode 6</p> <p><a href="#">A Midsummer Night's Dream. 6: The Lovers' Quarrel - BBC Teach</a></p> <p>This episode is all about a big argument between the four young Athenians.</p> <p>Use the thought bubble sheet in our resources (Episode 6) to write what each of the 4 characters are thinking and feeling at this point in the story. Give as much detail as you can</p>	<p>Watch episode 7</p> <p><a href="#">A Midsummer Night's Dream. 7: Lifting the Fog - BBC Teach</a></p> <p>There is only one more episode of the play left. How do you think it will end? Write a paragraph predicting what will happen in the next episode to complete the story.</p>	<p>Watch episode 8 – the final episode. <a href="#">A Midsummer Night's Dream. 8: A Wedding Play - BBC Teach</a></p> <p>Now that you have watched the whole play, you are going to rewrite the story in your own words.</p> <p>Cut out the pictures on the sequencing activity and put them into order. There is a copy in our resources or you can use this link.</p>	<p>Continue and complete the writing activity that you began yesterday.</p>

	<p><a href="#">A Midsummer Night's Dream. 5: Oberon's Revenge - BBC Teach</a></p> <p>Complete the questions on the Episode 5 worksheet which focus on the transformation which happens to Bottom.</p>	<p>and remember to write in full sentences.</p>		<p><a href="#">sequencing_activity.pdf (bbci.co.uk)</a></p> <p>Use the pictures to help you to rewrite the story in your own words. You could stick the pictures into your writing at the relevant point to make an illustrated story.</p>	
Topic activities	<p><b><u>Science -The Earth, Sun and Moon</u></b> Work through the PowerPoint about the movement of Earth and the Moon. Use the activity sheet in our resources to write an explanation of these movements and how they create day and night and seasonal changes. Follow the instruction to make a model of their interaction. The sheets are in our resources.</p> <p><b><u>Well-being</u></b> Try to spend some time outdoors if you can. Today is the first day of March – spring is on the way! Are any plants starting to come to life in your garden? Have you seen any spring flowers such as daffodils, crocus or snowdrops?</p>	<p><b><u>PSHE – exploring emotions</u></b> This term our focus is emotional well-being. I would like you to spend some time thinking about what happiness is and the things that make you feel happy. Use the sheets in our resources to think about what happiness looks like, sounds like and feels like to you.</p> <p><b><u>ICT / Science– Purple Mash</u></b> As part of our space topic, you will be researching one of the eight planets of the solar system. To begin this, I would like you to go to the planet profile activity on Purple Mash. From the home menu, select science/space/planet profile. Decide which planet you would like to research and record the information that you already know on the profile. (You can refer back to the PowerPoint from last week.) You will be adding further information to this in future weeks.</p>	<p><b><u>Music – Duration</u></b> Watch the video and join in with the activities. <a href="#">To understand the difference between on and off beats (thenational.academy)</a></p> <p><b><u>PE – football skills or martial arts</u></b> Try one of the football freestyle sessions on this link <a href="#">Virtual Football Freestyle – Amber Valley School Sport Partnership CIO (avssp.co.uk)</a> As an alternative, you might want to try one of the virtual martial arts sessions. <a href="#">Virtual Martial Arts – Amber Valley School Sport Partnership CIO (avssp.co.uk)</a></p>	<p><b><u>RE</u></b> This week we are exploring the concept of forgiveness through the story of Zacchaeus. Read the story and complete the worksheet in our resources.</p> <p>Try one of the Yoga routines on this link. <a href="#">Yoga in the Classroom   Scholastic</a></p> <p><b><u>Reading</u></b> Our Serial Mash book on Purple Mash is Secret Agent Grandpa.</p> <p>Read chapter 2 and complete the related activities. I have sent it to your 2Do box.</p>	<p><b><u>Art – Plants and flowers</u></b> Work through the PowerPoint to learn about Henri Rousseau and his work. Choose one of the photos from last week's resources and make a detailed colour drawing of it. (Or you could use a real plant.) Try working with colour straight away- you could use coloured pencils, crayons or oil pastels if you have some. Remember to make your drawing large enough to include detail and use different types of line to create effects. E.g. curved, jagged, heavy and light pressure.</p> <p><b><u>Reflection time</u></b> Assemblies online 6 – Faithfulness and Gentleness <a href="https://www.suttonschoolswor.k.co.uk/primary-online">https://www.suttonschoolswor.k.co.uk/primary-online</a></p> <p>Well done for working hard – I hope you have enjoyed the lessons. I am really looking forward to seeing you all in class on Monday! Have a lovely weekend - Mrs Steward ☺</p>
